HISTORY of the » »

The BILLY BOWLEGS FESTIVAL, now in its 34th year, got its start as a water ski show on Labor Day sponsored by the City Recreation Department. It was a crowd pleaser! ... but the city decided it was too large for them to handle so they asked the Jaycees, then in their first year as an organization, to take it over. The Jaycees, after a lot of research and planning meetings, agreed to sponsor the event. The event that year consisted of a parade, a fish fry, ski show and dance at the Community Center. (Incidentally, the Jaycee membership at that time was only seventeen!) The idea of a Gasparilla-type observance centered on a pirate theme, and they were unanimous in their choice of the notorious and legendary WILLIAM AUGUSTUS BOWLES as their patron pirate ... a pirate of controversial authenticity whose alleged, dastardly deeds were widespread throughout what is now known as the PLAYGROUND AREA or the EMERALD COAST.

After the overwhelming success of this initial celebration, a small group of merchants, together with the JAYCEES, were secretly delegated to choose from its membership a Cap'n Billy Bowlegs as reigning pirate of the then three-day festival. His identity would remain a mystery until the unmasking ceremonies took place on the evening of the grand ball. The late NATHAN FLEET, a downtown retail merchant at that time, was chosen as the first Cap'n Billy Bowlegs to reign over the festival and lead the pirate raids. He played his role so well, he was asked again the following year to lead the pirate Krewel (His son, Judge Erwin Fleet, following in his father's footsteps, was Cap'n Billy Bowlegs XIV in 1968-69).

During the festival, races are held, tournaments played, arts and crafts displayed, frisbees thrown, boats paraded, bands play, square dancers kick up their heels, the small fry fish and the gaily costumed pirates' Krewel lands again on the beautiful white sands of Northwest Florida. The city is duly "captured" and the Jolly Roger is hoisted to signify the total surrender of the city! There is fun for the entire family, with treasure hunts for the children as well as for grownups ... and a treasure map to help with the search. Over the years, more and more professional floats have been added to the Grand Torchlight Parade and a glittering Coronation Pageant (open to the public at no charge) is held at which a new Captain Billy Bowlegs, his Queen, a First Mate and his lady, ten Honor Guard couples and children of the court are unmasked and introduced. The Coronation Pageant is followed by a private ball and midnight buffet for Krewel members and their honored guests. Thus a tradition was born: the BILLY BOWLEGS FESTIVAL, with the infamous KREWEL OF BOWLEGS and reigning Cap'n Billy as the "star" of the show!

FESTIVAL and KREWE

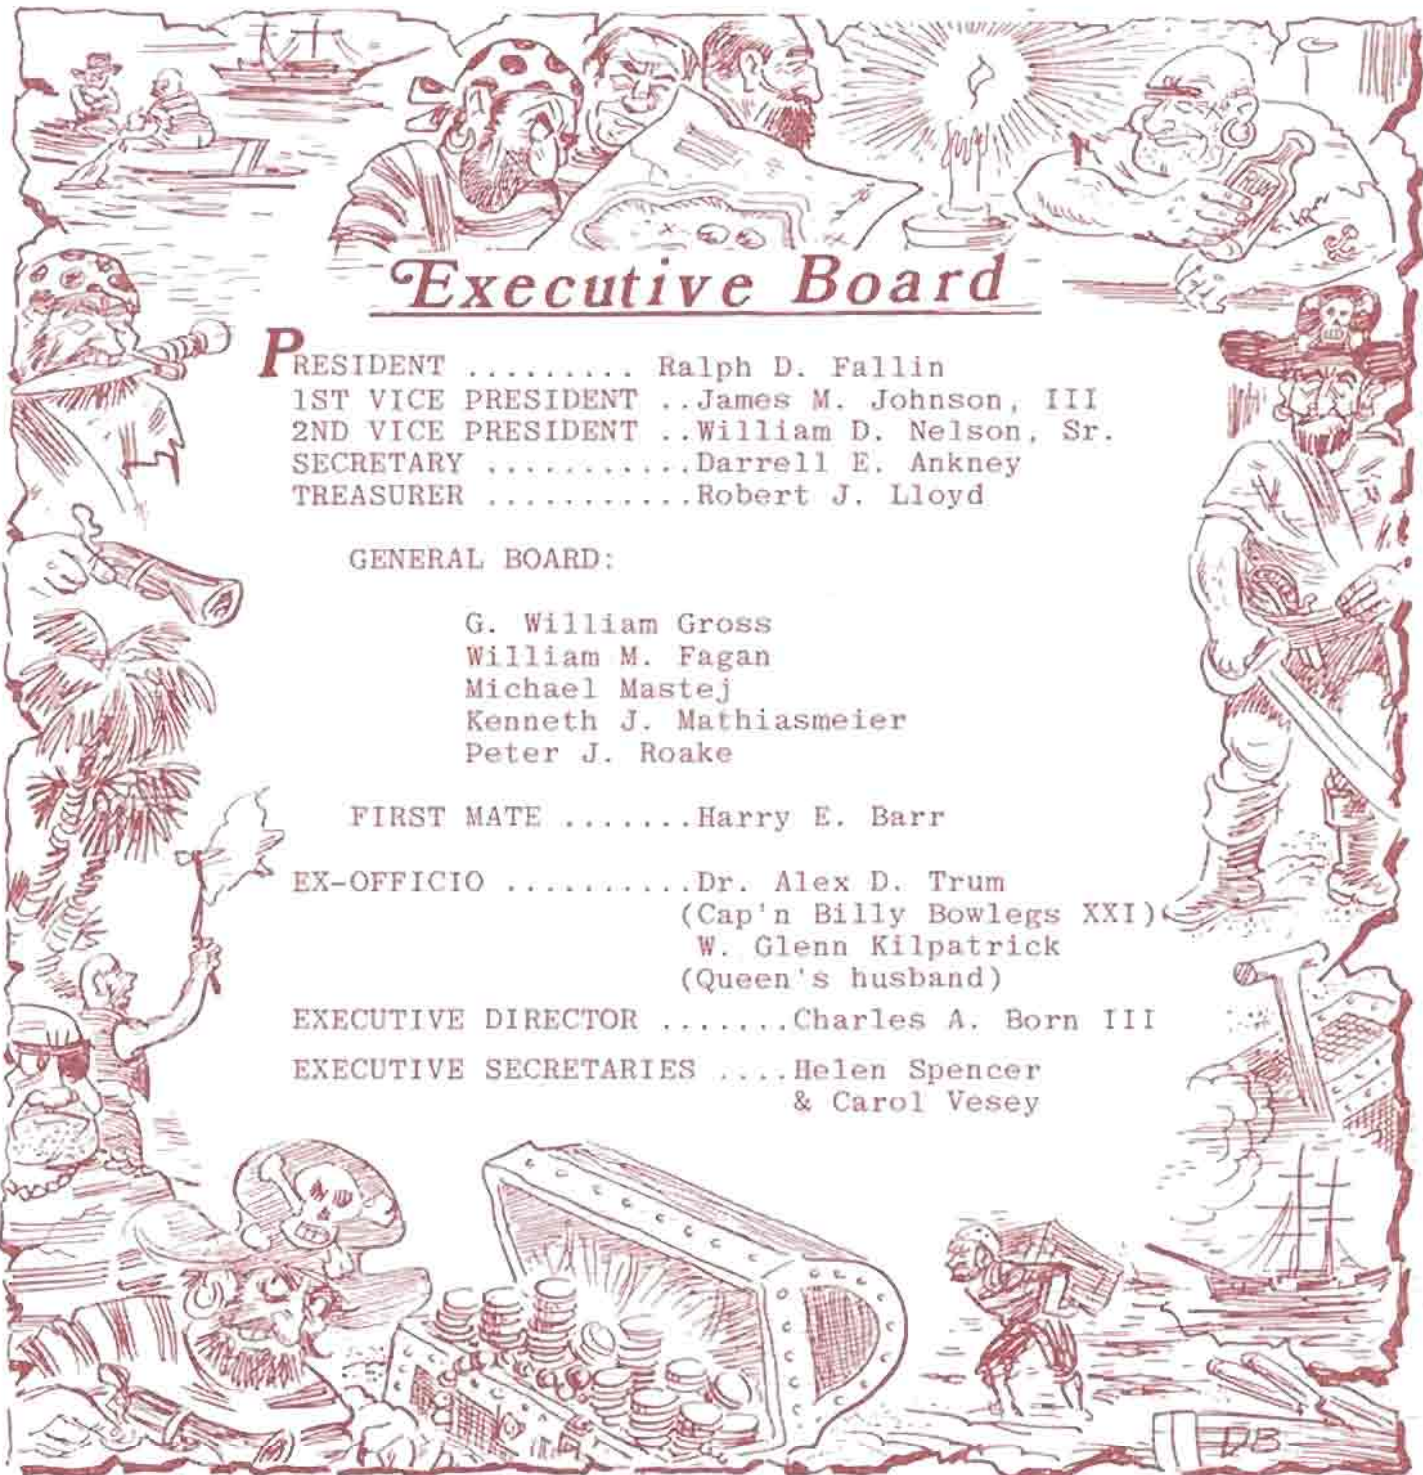

An early souvenir program and guide (1957) lists 75 Krewe members: six of these are still members ... and into a second generation of pirates as several sons of original Krewe members are now carrying on a tradition started by their fathers. ROGER CLARY was the first Cap'n Billy under organized charter. Current Krewe membership is 170, plus former Cap'n Billys who automatically become members of the SOCIETY OF BOWLEGS, affectionately known as the SOB's! Membership in the Krewe is limited by the Constitution & By-Laws of the Krewe and there is always a waiting list. Hours of volunteered time and talent, plus sizeable sums of money are expended each year by Krewe members and their wives on colorful floats, beautiful decorations and custom-made costumes worn by the Krewe during the parade, pageant and ball. The "theme" floats which the masked Krewe ride allow the members to throw showers of souvenir trinkets and "gold" doubloons to the thousands lining the parade route. ALL KREWE EVENTS ARE PAID FOR FROM KREWE ANNUAL MEMBERSHIP DUES - they receive NO funding from any other source! Each year Cap'n Billy is selected by secret ballot; he, in turn, chooses his Queen, First Mate and Mistress, ten-man Honor Guard and children of the court ... their identity a closely guarded secret.

Although the Krewe of Bowlegs is an all-male social club, their ladies are invited to join in most of the festivities. The late Docie Bass, Cap'n Billy Bowlegs IV, was the first to choose his Queen from the membership of the Krewe. Up until that time, queens had been "captive" wenches and beauty contest winners. Past queens belong to an organization known as the SOCIETY OF QUEENS. Among other things, they sponsor an annual punch party for graduating senior girls, daughters and/or granddaughters of Krewe members. These girls are presented at Cap'n Billy's court during the Coronation Pageant. In colorful costumes, they also assist the pirates during their annual raid on the city. Graduating senior daughters and sons of Krewe members also are invited to attend the Coronation Ball.

Last year, after many adventures on the high seas, Cap'n Billy, his motley Krewe and their loveable mascot, an alligator named "Mikey", anchored the BLACKHAWK in our own beautiful Emerald waters for a year of fun and frolic along the Miracle Strip ... perhaps with the ghosts of other pirates of that long ago cutlass-swinging, gold-plundering era!

... but now it's time to turn over command of the Krewe to a new Cap'n Billy, his Queen and court. We ask that you please settle back, get comfortable as we open the BLACKHAWK's Log to log another magical make believe journey to a Fantasyland of "let's pretend" ... climaxed by the unmasking of Cap'n Billy Bowlegs XXXIII!

Ralph D. Fallin, an Alabama native, has lived in Fort Walton Beach since 1963. He served in the 101st Airborne Infantry and attended Massey Business School in LaGrange, Georgia, majoring in accounting.

For 25 years he has been manager of the Fort Walton Beach operation of Borden's, Inc., a firm he joined in 1957, working previously in Pensacola and in Brewton and Mobile, Ala., before moving here. He has been recognized for superior sales accomplishments and seated at Borden's "Head Table" on two occasions at national sales managers' conferences. He was selected as one of 12 national sales advisory members and has served the past three years formulating programs for sales and promotion direction for Borden's national sales efforts.

He has been a member of the Krewe of Bowlegs for 19 years, serving on the executive board four terms and on the Honor Guard in 1980-81. He was First Mate in 1983-84.

He also has been active in community services, serving the Greater FWB Chamber of Commerce as chairman of the education committee, on Chamber board for three years, as 2nd vice-president, as vice chairman of the Hosts Council, and as chairman of the Florida Issues Legislative Committee.

He has been on the board of the Humane Society and a member of Fort Walton Beach Rotary Club for more than 20 years, serving as 1972-73 president.

Ralph has served on the administrative board of Trinity Methodist Church, and is a member of Masonic Alpha Lodge 172, Panama City Scottish Rite, Hadji Shrine Temple, FWB Shrine Club, and the Fort Walton Elks Lodge 1795. His hobbies are fishing and coin collecting.

Cap'n Billy is married to the former Barbara Moore of Paducah, Ky. She is Director of Personnel, Metric Systems Corporation, a subsidiary of Tech-Sym Corporation. Barbara is president of The Emerald Coast Personnel Management Association.

Ralph is the father of four children: Wade, Cathi, Cindy, and Dani. He also is the grandfather of Jennifer, Victoria, and Thomas, children of Wade and Kathy Fallin who live in Jacksonville, where Wade is in the U.S. Navy. Cathi is a drafter in Palm Beach Shores. Cindy and her husband, Jerry Pergrim, both drafters, are employed locally. Daughter Dani, 15, has just completed her Sophomore year at Choctawhatchee High School where she was president of her class, a member of Wheelettes, Indianettes, Thaliens, Fellowship of Christian Athletes, "Y" Club, and Mu Alpha Theta. All of Ralph's girls have participated in Bowlegs' functions: Cathi and Cindy as princesses and Dani as one of the children of the court for Queen Kay Stokes. Dani is also one of the dancer performers tonight. Granddaughter Jennifer is Queen Martha's crown bearer this year.

Captain Billy's costume is silver brocade and white satin trimmed with emerald sequins and rhinestones. His cape of silver brocade lined with emerald green lamé features a large skull and crossbones, two shields, a Christian cross and the Fallin crest inside the shields. Green letters spell out his company's trademark at the lower center. The cape depicts his three priorities in life: Christianity, family, and profession.

Queen

Their son, William Glenn Kilpatrick, Jr., is an eighth grade student at Bruner Jr. High School and is serving as Captain Billy's sword bearer in the current children of the court.

Queen Martha's dress is made of jeweled pallet, a silk chiffon imported from France, featuring diamond shaped cutouts, rhinestones, crystal beads and fringe at the shoulders and waist, in a whimsical mode. Emerald rhinestones are repeated on the collar.

The train represents an Emerald Coast water scene showing fish, sea weed and a treasure chest filled with Billy Bowlegs gold coins and other jewels. The top of the train features a playful sea horse, Martha's favorite sea creature.

The year was a busy one for Cap'n Billy and his Queen ... in addition to the hundreds of personal appearances at local events throughout their reign, the royal couple were entertained by other krewes and carnival societies along the Gulf Coast, acting as good will ambassadors for and promoting our beautiful Emerald Coast!

Starting in February of this year, they were guests of Le Krewe de Bienville, Mobile's only civic carnival society, and were presented to the King & Queen of MARDI GRAS at their twenty-seventh annual Mardi Gras Ball.

INTRODUCING...

... RAY & JANET BINNEY, Directors/Choreographers

Ray Binney was born in Detroit, Michigan and started dancing at the age of twelve because of a pretty girl he wanted to meet in his sister's dance class. He worked for WXYZ Radio and TV where he subsequently produced a TV show sponsored by the Ford Motor Co. He was drafted out of his contract and served in the Korean conflict. On his return, he decided to produce and direct his own shows for theatre and night clubs.

Janet (Karpus) Binney, born in Uniontown, Pa., started dancing at the age of five, studying ballet, tap and acrobatics and progressing to jazz, toe, Spanish and Hawaiian. She did advance studies in New York City under the direction of many of the most respected names in America's dance world. She performed in summer stock in Pittsburgh, Pa., and traveled with the famous Rockettes as an opening act to such stars as Pat Boone and the Lennon sisters.

Ray and Janet met in Las Vegas where he was a producer-choreographer. Janet later became his assistant, lead-dancer and his wife. Together they produced eleven hit shows in Las Vegas, Reno and Lake Tahoe. They also produced a daughter, Angelique, now a junior at Choctaw.

In recent years, Janet and Ray have owned and operated the famous Vapors Dinner Theatre in Hot Springs, Arkansas, to which they have brought such headliners as Charo, Phyllis Diller, Robert Goulet, Jim Nabors, and many other stars of Broadway, Vegas and Hollywood, along with a number of successful Vegas revues. In 1968, the Binneys co-produced two industrial shows in Dallas for White Westinghouse and Frigidaire.

The Binneys love the beach, the Gulf and the Fort Walton Beach area has lured them to become permanent residents and to eventually move all their operations here. They are looking forward to being an active part of the FWB performing arts scene.

Thanks... from CAPTAIN BILLY BOWLEGS XXXII to the most talented group of people whose ideas, enthusiastic preparation and dedication to perfection have made this Coronation Pageant an overwhelming success. For the many hours KEN & JACKIE MATHIASMEIER, STEVE & LOLLY KORN, RAY & JANET BINNEY, ALLAN COWART, and DEBBIE HOLBROOK spent as a labor of love in the preparation of the material, I will be eternally grateful! ... I thank the members of the cast for time and talents they have so generously given to make this our best pageant ever ... and to my First Mate, HARRY BARR, I will forever be indebted as this was just one of the many tasks he has expertly guided to completion. I am convinced that my Honor Guard and Board can and will create anything one can imagine and have a lot of fun doing it! ... to the ladies who have sewn, painted and planned individually and collectively, I thank you, also ... and to ALYCE ANKNEY for putting our souviner program together.

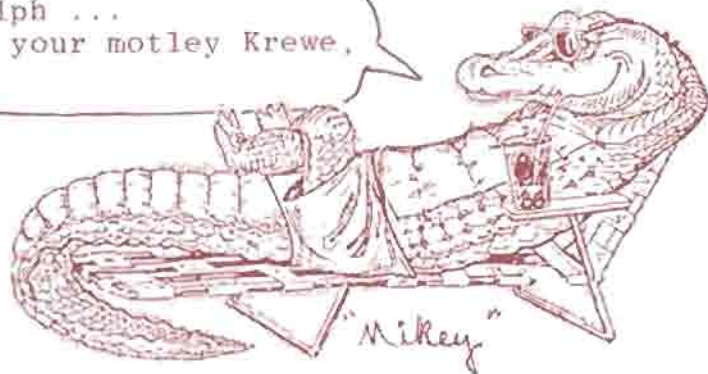

So, as we close the BLACKHAWK's Log on the 32nd voyage of the Krewe of Bowlegs, let the records reflect that there was harmony among all the ship's Krewe, adequate portions of rum and food for all and a most enjoyable year of excursions on the Emerald waters. My beautiful Queen MARTHA won the hearts of all she encountered during the year's journey. My love, admiration and respect go to her. Adventures with my First Mate and First Mistress, HARRY & GINNY, are some of the high-lites permanently etched in my fondest memories. Our lackeys, GLENN & BARBARA, served us well - my undying gratitude to them. My executive director and secretaries made the journey thru the hazardous reefs a smooth ride. Thank you, Charlie, Helen, and Carol.

Many others, including tonight's cast and stage workers, have made significant contributions to making this year outstanding - Thanks to one and all!

BY ROYAL DECREE OF CAPTAIN BILLY BOWLEGS XXXII, Ralph Fallin dated this 13th day of June A.D., 1987

Ah, how sweet it is, Ralph ... now that I'm rid of you and your motley Krewe, maybe I can get some rest!

William Augustus Bowles

A notorious old boy, so the legend goes, and patron pirate of the BILLY BOWLEGS FESTIVAL and the KREWE OF BOWLEGS, was born in 1763 on the Maryland frontier. When he was only 13, he joined the Loyalists Corps to fight against the American rebels. Two years later he was sent to Pensacola to join the British forces operating there. At the age of 16 he was commissioned an ensign in the British Navy ... after the war, he rebelled against military life and went into hiding with the Creek Indians after insulting a British officer (again, so the legend goes!). He married a tribeswoman, a chief's daughter, and in 1781 was welcomed back by the British to help battle the Spanish at Pensacola... at that time, the British, Spanish and Americans were maneuvering for control of the Gulf shores and its shipping lanes. Believing himself destined to command instead of obeying orders, Bowles gathered a force of a "couple hundred plundering Indians, relics from the American Army and white banditti" a rollicking piratical crew which grew to be the concern of all three of the power-hungry countries. He created his own throne and the three nations considered everything from murder to a general's commission to get him on the right side. Financed by loot from a Spanish ship and surrounded by a handful of Indians, Cap'n Billy invaded British society for support. He was rewarded with a flag of "English and Indian colors mixed", a silver pipe, a tomahawk, a chain of friendship and trade supplies with which he formed the State of Muskogee. He was eventually captured by the Spanish and shipped to Madrid, Spain, and then to the Philippines, but he jumped ship and returned to his "state" and greater deeds of piracy...but all "good" pirates must have an end; and Cap'n Billy's came after he was lured to peace talks and there betrayed by his Indian troops. The Spanish imprisoned him in Cuba in the infamous Morro Castle - there, on December 23, 1805, he died. There are many reports as to how he died but whatever happened to Billy Bowlegs was not worth remembering to the people of that period, for he has no grave. To the Ft Walton Beach/Destin area, however, he left a heritage of pirate tales of great adventure and buried treasure!

Avast!

Of pirate ships and sailing ships
and masted schooners four,
of treasure chests and Spanish gold
of pirate's lusty roar.

Turn back the time to pirate days,
those fearsome times of yore
when Jolly Rogers sailed the seas
a dreadful sight we're told!

On moonlight nights by lantern light
they crept upon the shore,
and buried deep, while all did sleep
their treasured coins of gold.

So here's to pirates evermore
those rascals of the seas,
adventures now a memory
they've left to you and me.
